

Agriculture, Food & Life Sciences

Living Learning Community

Choose this LLC if...

You are a first year student majoring in one of the disciplines in the Bumpers College.

You are socially and environmentally conscious and concerned about the health and wellbeing of mankind.

You have an interest in food security.

You want to live in the same residence hall and form study groups with other first year Bumpers College students.

You want to participate in extracurricular activities that connect learning in and out of the classroom.

You want to experience career exploration with faculty, students and advisors.

LLC
Coordinator

Lona Robertson
Associate Dean,
Bumpers College

Our Purpose

The mission of the Bumpers College Living Learning Community (BCLLC) is to further the purposes of the College of Agricultural, Food and Life Sciences by providing focused extracurricular programming that promotes an understanding and appreciation for food, family and the environment.

Benefits

Benefits of participating in the LLC include:

Getting to know faculty in a small setting.

Creating connections right away with peers who share the same interests.

Becoming involved at the University of Arkansas.

Required Classes

Students in the Agriculture, Food & Life Sciences Living Learning Community will take the following course together:

UNIV 1001 University Perspectives
