Our Purpose

The Academic Enrichment Diversity Scholars Living Learning Community (AE-DSLLC) will provide students extracurricular educational opportunities and academic support while cultivating future leaders through student engagement, faculty involvement and a collaborative residential community. Being a part of the AE-DSLLC will help to ensure a successful transition to the University of Arkansas.

Benefits

- AE-DSLLC participants will live, learn and grow with other scholarship recipients.
- Residents will have access to peer mentorship and faculty and staff advisors.
- Students will become connected with academic and social networks.
- The LLC support will help students meet their scholarship requirements and retain their funding.
