Oct/Nov Edition

LLC Newsletter

University of Arkansas Housing

Goodbye summer, hello fall!

The month of October has come and gone, and hopefully the only things falling are the leaves and temperatures. October was a month full of exams/ midterms, homecoming, and fall break. Hopefully October was a great checkpoint, lets finish the semester strong! Our LLC's had quite a month filled with guest speakers such as Colonel Jeffrey Vinger, edible car competitions, Wal-Mart networking events, and tasty study breaks. While October was full of great social and engaging academic programs, rumor has it that November will be even better!

Save the Date!

Engineering LLC

in the Humphreys
classroom a game
night will be held.

Business LLC

November 16th

From 10:00PM-
1:00AM come to
Founders Hall for
midnight snacks!

LLC Highlights

This past month the Air Force ROTC LLC hosted colonel Jeffrey Vinger, and learned about the endless opportunities and careers that can follow their commitment to the USA in the Air Force. The Air Force ROTC LLC also held an Ultimate Frisbee competition.

The Business LLC had a Wal-Mart networking event, whoa! Along with networking, the Business LLC had another BLAW study session because academic success for our participants is key!

Lastly, we welcomed our last Peer Ambassador: Ms. Caroline! She will be our Peer Ambassador for the Army ROTC LLC! They have hit the ground running so be on the look out!
